WEAR IT IN THE USA

BB25 GLOVE

Large cut, in the welder preferred gunn pattern with one piece back, heat resistant select side split cowhide, full 14" long for extra margin of protection, full welted seams sewn with Kevlar thread for exceptional durability, and has a full sock liner for wearer comfort.

8100W GLOVE

Premium grade cow split leather, sewn with Kevlar thread, with knuckle strap, lined palm. Available in 2" and 4" cuff.

22G GLOVE

Lightweight grain cowhide, unlined for maximum dexterity and supple enough to provide the grip and feel drivers need. Gunn pattern, straight thumb, shirred elastic back, and double row stitched index finger.

NBFS 640 COVERALL

Stocked in Navy Blue, Tan, Orange and Green, available in other colors. Also available in Indura, Indura Ultra-Soft and Nomex III-A 4.5, 6.0 and 10 ounce fabric. Six pocket design, brass zipper front closure with concealed snap at collar, pass through waist pockets, bi-swing back and elastic waist. Full cut provides freedom of movement. Adjustable snap fastener at cuff.

TIG100CX GLOVE

Gunn pattern with straight thumb. Made from lightweight split deerskin, 4" standard cuff.
